This journey began in August 2023, when we rented a house to expand the YKPA capacity. Our intention was to stop paying rent within two years, thanks to the help of our generous donors, Brooke and Linda Suleman pay for rent. This the case our founder, Putu Etiartini, moved to the USA to join her husband, and attempt fundraising, but then our new manager, Wanasari, was unable to access funds from Permata Bank due to the need for signatures and authorization from the YKPA board. During this time, the owner evicted the children giving only one week notice, forcing us to immediately find another place to stay. Thanks God Jay and friends started helping us. children home dream come true.

Celebration ceremony Balinese melaspas new house for YKPA children home Tabanan

The Melaspas ceremony was a truly special and meaningful event, marking the beginning of a new chapter for our house and temples. We are overwhelmed with gratitude as we express our thanks to the Perth Cyclechallenge Team. Their incredible support and generosity have provided the orphanage children with a safe and comfortable home, freeing them from the fear of eviction due to financial constraints.

Last year was challenging, but now, with the help of the Perth Cyclechallenge Team, the children can thrive and grow in a loving environment. The Melaspas ceremony beautifully honored their efforts, highlighting the significant impact they have made on the lives of the orphanage children and our entire community.

We are forever grateful for their compassion and dedication. Their support has brought joy and stability to the children's lives, allowing them to focus on their education, dreams, and aspirations. The Melaspas ceremony reminded us of the power of unity and the positive change that can be achieved when we come together for a common cause.

We are truly blessed to have such amazing individuals and organizations supporting our cause. May their kindness continue to inspire others to make a difference and bring hope to those in need.
