HELP US CONTINUE OUR MISSION TO CREATE A BRIGHTER FUTURE FOR THESE CHILDREN.

Not all children choose to leave home—but many must, due to loss, poverty, or early marriage. At YKPA, we've spent 17 years offering love, education, and hope, helping them grow into confident, independent individuals.

I'm Putu Etiartini, and with the support of donors, sponsors, volunteers, and our dedicated team, we've created many success stories..

WE MAY NOT ALL DO GREAT THINGS, BUT WE CAN DO SMALL THINGS WITH GREAT LOVE.

LOVING HOME

At YKPA, children live in a loving, safe home where they are cared for, share stories, learn new skills, and grow together like family. Despite different backgrounds, they find joy, support, and a sense of belonging.

EDUCATION AND LIFE SKILL

Kids say "thanks to YKPA, we can continue our education and dreams beyond the limitations of our villages. (Alongside school), we learn practical skills like English, yoga, cooking, and more, preparing us for a good future".

MEDICAL CARE

In remote areas, children and adults suffer without basic care—burns, injuries, and disabilities go untreated. YKPA urgently raises funds and works with NGOs to get them help, even flying them abroad when no care exists in Bali. Lives are changed forever..

SHELTER & SAFETY FOR WOMEN

YKPA provides shelter for abused women and unsupported pregnant women, addressing cultural stigma. We also empower single mothers by teaching skills, helping them gain income and support their children's education.

DISASTER RELIEF AND HELP REMOTE VILLAGES

Putu Etiartini is volunteering since 2006 YKPA is an official NGO in 2007, helping street children, then supporting women, next providing medical aid, and supplies to disaster-hit areas, including Nepal after the 2015 earthquake. YKPA continues helping those in need.
